

### TESTIMONIAL

This is to certify that **Dr. BULU NAHAK** (*Assistant Professor, Dept. of ENT, IMS & SUM hospitals, Bhubaneswar, Odisha*) was associated with me as part of the travel fellowship programme, in the Institute of ENT, Head and Neck Surgery, MGM Health Care, Chennai, for a period of one month (from 22.11.2022 to 22.12.2022)

During this period, he showed immense drive in clinical activities. He was involved in the entire spectrum of professional work including out-patient clinics, endoscopy services, routine and emergency surgeries encompassing the complete range of the sub speciality training in otology, cochlear implantation, skull base, endoscopic rhinology, facial plastics, paediatric otolaryngology along with head & neck oncology.

He has been mentored well during this stint, especially with respect to holistic approach to patient care with a clear focus on evidence based medicine. Needless to say, his hard working attitude, perseverance and dedication has put him in a good frame of mind to accomplish future professional endeavours and medical teaching with confidence. He followed good clinical practice guidelines at work place and exhibited exemplary teamwork along with effective communicative skills. His conduct was good throughout the stint with good ethics amongst his peers and colleagues.

I wish him all the best to achieve all objectives that he plans in future professionally. This mentorship would continue to infuse a sense of purpose through his clinical pursuits in the days ahead.
